

Hibernation Season CSA

Once the temperatures chill and the days get shorter, the harvest season comes to a close. Fortunately, Miller Plant Farm has some exceptionally fresh and storable produce to offer to last you well into the Hibernation Season. This one-time winter CSA share is designed to bulk up your household's farm-fresh food supply just in time for Thanksgiving dinner with family and friends. And the best part?! It's all fresh from our Farm, as well as from other York County growers!

Example of items that *may* be included:

Cauliflower	Potatoes	Frozen Sweet Corn	Apples
Broccoli	Freshly Baked	(ours of course!)	Carrots
Sweet Potatoes	Dinner Rolls	Pumpkin Roll	Spinach
Lettuce	Pickles (from our	Cider	Leeks
Winter Squash	Farm & jarred)	Cabbage	Brussels Sprouts

NEW FOR 2019! Frozen Corn Add-On: +\$6.99/bag

Nothing beats the taste of local sweet corn at the holidays! Include homegrown Miller corn with your festive spread. One 32-ounce bag of frozen sweet corn will be included with your share, but additional are available as an add-on.

Harvest Arrangement Add-On: +\$24.99 ea.

Bring a touch of the fall season to your table with a fresh cornucopia flower arrangement this holiday season! Colors will be rusts, reds, oranges, and yellows with some fun fall accents. Flowers will vary based upon availability.
